Mentorship Program Standard Operative Procedure (SOP)

- ❖ Eligible faculty members are assigned a group of 20 to 25 mentees whom they serve as mentors throughout the period of their course.
- ❖ The first-year students are assigned mentors through the Mentor-Mentee system.
- ❖ The mentors are provided with student information Performa containing all personal and academic details of their respective mentees, which they need to update throughout academic curriculum of the assigned students.
- ❖ **Records Maintain :**
 - a. The personal information form should be filled by the mentee in 1st meeting with Mentor and verified by the mentor.
 - b. The record should be maintained as confidential and kept the file at a safe place in the department.
 - c. The faculty members will be allotted the students and there will be once a month meeting of mentor and mentee.
 - d. The mentor might discuss individually or in a group to all the mentees and solve their problems. Academic performance, regularities(Attendance) and related issues are discussed with the students and informed to their parents/guardians.
 - e. During the monthly Mentor- Mentee meeting, if mentee raised any issue regarding ragging by senior students then the mentor should inform immediately to anti ragging committee for further proceeding.
- ❖ Mentoring staff regularly monitors and counsel the students in academics, encourage the students to participate extra and co- curricular activities.
