Dear Students, Faculty, Alumni, Distinguished Guests, and Friends,

It gives me immense pleasure and pride to stand before you today as we celebrate the Silver Jubilee Anniversary of our esteemed institution. Completing 25 years is not just a milestone — it is a testimony to our unwavering commitment to excellence in pharmaceutical education, research, and community service.

Over the past two and a half decades, our college has grown from a humble beginning into a beacon of learning and innovation. We have nurtured countless professionals who have gone on to make significant contributions in the pharmaceutical and healthcare sectors, both nationally and globally.

This journey has been made possible through the dedication and hard work of our visionary founders, committed faculty, supportive staff, ambitious students, and proud alumni. I extend my heartfelt gratitude to each one of you for being an integral part of this remarkable voyage.

As we reflect on our achievements, let us also look ahead with renewed enthusiasm. The future of pharmacy is filled with promise — from breakthroughs in drug discovery to patient-centered care. It is our responsibility to prepare the next generation to lead with knowledge, integrity, and compassion.

Let this celebration not only honour our past but also inspire our path forward. Together, let us continue to build on our legacy and strive toward even greater excellence in the years to come. Thank you, and happy Silver Jubilee to all!
